Your Partner for Success

Doug Phillips, CPA **President & Managing Director**

Doug is, by his own admission, a professional numbers cruncher. And when he's not crunching the numbers, you'll find him enjoying activities outside. Doug enjoys traveling, and when he gets out of town, he typically heads west to visit friends and family.

Our professional numbers cruncher also enjoys getting out and networking. He's the front man for our team, making connections in local organizations, with new partners and clients, and on boards and committees. He can be found attending to his memberships in the American Institute of Certified Public Accountants (AICPA), Delaware Society of Certified Public Accountants (DSCPA, Maryland Association of Certified Public Accountants (MACPA), and American College of

Forensic Examiners. Or, he could be fulfilling his board responsibilities with United Way and the Audit Committee of the First State Community Loan Fund.

Doug offers traditional accounting services to Horty clients in the gaming, manufacturing and construction and development industries. Specialties include forensic accounting and auditing.
